

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>At Holy Ghost, teaching in PE, and the access to a range of extra-curricular opportunities which promote healthy, active lifestyles has long been a strong aspect of our provision.</p> <p>In line with our Mission Statement, our UNICEF Rights' Respecting agenda, and the school's provision for spiritual, social, moral, and cultural education, PE and Sport are key drivers for the development and fulfilment of each child.</p> <p>The pupils here benefit from an outstanding specialist PE teacher; a strong emphasis in the curriculum for PE, and a wide range of opportunities where pupils of all age groups can be active and competitive.</p> <p>Holy Ghost has an impressive record for entering Wandsworth led tournaments and festivals and despite being a one form entry school, is able to field A,B and C teams whenever there is an opportunity to do so.</p>	<p>Development of class teachers delivering high quality PE lessons.</p> <p>Broadening the range of sports on offer. Adding hockey to the Invasive Games programme.</p> <p>The disruption from Covid-19 has resulted in children's opportunities to represent the school in borough tournaments and festivals being curtailed. Holy Ghost is aware of this gap and is finding ways to lessen the impact. All Key Stage 1 and 2 classes are participating in Virtual competitions, endeavouring to keep the children informed about local opportunities available outside of school hours and promoting a "challenge yourself" outlook where the children are taking an interest in their own development.</p>
