## South & South-East Regional Biathlon Qualification Event 08.01.22

Fifteen families set off down the A3 on Saturday 8<sup>th</sup> January to support their children participating in a Biathlon. A biathlon is a running and swimming event where times for each event are recorded to reach a final score. This score is compared against all of the other scores from similar qualifying competitions that have been held all over the country. The top 200 Biathletes in the country are then invited to a National event – we are waiting to hear if we will join them.

The facilities at the Aldershot Garrison Sports Centre were impressive and much of the event is about overcoming nerves and listening to the rules – once these are taken care of the children just do what they are there to do – run and swim. In some age groups we managed to get 3 children competing and they become a Holy Ghost team.

I was so proud of all of the children – they looked smart, they were competitive and they were happy.

## Year 5 & 6 Sportshall Athletes

Holy Ghost come 3<sup>rd</sup> in the Wandsworth Borough Sportshall Athletics Competition.  
Spectacular performances were enjoyed by the girls and boys.

## Running Club

Over 35 enthusiastic runners in key Stage 2 gather every Thursday morning to enjoy the fresh air. Thank you to all of the parent helpers who turn up and help manage the large numbers. The children are all smiles and chatter on their walk home, ready to start their school day.

## Captain of the half term

These two year 6 children captained their Athletics teams calmly. They were full of praise and supported any child who needed a comforting word.
