'A child helped by another child is like a strong city'

Dear Parents and Carers,

Thank you for all the gifts that staff received at the end of term - they are all very much appreciated and staff have asked that we pass on our thanks to you all.

Road Safety

Mornings and afternoons in Nightingale Square are very busy as we all drop/pick up our children and make our way to work and appointments. Please remember to *drive slowly, beware of all children, pay attention to the no parking zones outside the school. And most importantly be patient*

Attendance and Punctuality

We have been working with the Educational Welfare Officer regarding attendance and punctuality at school. Gates close at 8:55am and registers are taken immediately. Children arriving after 8:55am will be marked as late.

Parents of children in Year 1 and Reception who arrive after 8:55am must use the main school gate on Nightingale Square. This is to ensure your child is marked as present in the registers which the teacher may already have completed.
